Lexi Kanowitz

Lexi Kanowitz is a sophomore in high school in Scarsdale, NY. Lexi is a full time student and athlete, rowing six days a week. During her free time she likes to hang out with her friends, listen to music and play with her dogs.

Lexi joined the Junior Board because her sister, Amanda Kanowitz, died of influenza at 4-years-old. By advocating for flu vaccines she helps spread awareness about how serious the flu is and ensures no other family has to go the pain of losing a loved one to a vaccine-preventable disease.
